

Think & Feel?

- The organization gets more visibility
- Gives a platform to share their achievements in the line of sustainable development
- Think that website will accentuate their works
- It will attract more students and volunteers
- Feel like a proud member of RCE

- Key points which are the outcome of RCE meetings
- Information about rewards if they have achieved any
- Changes in any policies of RCE
- Advice based on their profile
- Reminding the goals of RCE through messages/mails on regular basis

Hear?

- Navigating through website should be easy
- Update their own profile
- Have an option on the website to share the articles/photos/news on their social media
- Have an option to reposit their documents, files and research papers
- Website should give transparency to customize their own profile(fonts and colors)
- Add and post links and tag them according to theme

Say & Do?

See?

- Their own profile
- 17 goals of RCE
- RCE history and website
